PROFESSIONAL SUMMARY

Motivated professional transitioning into IT with a strong background in project management and customer service. I bring valuable experience from my previous roles that equipped me with exceptional organizational and communication skills. I have completed certifications in Python and web development, building a robust foundation in programming, web technologies, and problem-solving techniques. I am eager to apply my technical skills and innovative mindset to drive creative solutions and contribute to dynamic tech companies, collaborating with cross-functional teams to achieve project goals and improve user experience.

TECHNICAL SKILLS

- **FRONT-END: HTML, CSS, BOOTSTRAP, JAVASCRIPT, REACT.**
- **BACK-END: PYTHON, DJANGO.**
- **DATABASE: ORACLE, MYSQL.**
- **VERSION CONTROL: GIT, GITHUB.**
- **DEPLOYMENT: RENDER, NETLIFY.**

CERTIFICATIONS

- **PYTHON FULL STACK DEVELOPMENT**
  Trainee in Python Full Stack Development QSpider, Velachery.   (02/2024 - Present)

RELEVANT PROJECTS

- **Trumpkart**

  Developed an innovative e-commerce web application using Django, which features secure user authentication, robust product management, and an efficient shopping cart. The application boasts a responsive design that ensures a seamless user experience across various devices. I utilized PostgreSQL for data management to ensure scalability and performance and integrated a user-friendly admin dashboard that provides real-time analytics and inventory management. The project highlights my ability to combine technical skills with user-focused design principles.

- **SportStar**

  Currently developing a Django-based music streaming application that focuses on user engagement with features like user authentication, customizable playlists, and high-quality audio streaming. I am in the process of implementing additional functionalities, including a search feature and recommendation algorithms to enhance user experience and engagement. This project exemplifies my ability to work with complex back-end technologies while maintaining a focus on front-end aesthetics and usability.

WORK EXPERIENCE

Senior Associate (Ambassador), Amazon Transport Private Limited(INNOVSOURCE).   (05/2019 -04/2023)

- Played a key role in managing logistics and operational challenges, improving service delivery strategies, and reducing costs.
